

## 1 | God gives us peace in our circumstances.

*13And Gideon said to him, "Please, my lord, if the LORD is with us, why then has all this happened to us? And where are all his wonderful deeds that our fathers recounted to us, saying, 'Did not the LORD bring us up from Egypt?' But now the LORD has forsaken us and given us into the hand of Midian." 14And the LORD turned to him and said, "Go in this might of yours and save Israel from the hand of Midian; do not I send you?" 15And he said to him, "Please, Lord, how can I save Israel? Behold, my clan is the weakest in Manasseh, and I am the least in my father's house." 16And the LORD said to him, "But I will be with you, and you shall strike the Midianites as one man." JUDGES 6:13-16*

Gideon was focused on the present reality of the Midianite raids. But God focused both on the present reality and His presence in that reality. God would send and be with a deliverer of Israel. God's presence in our reality is what brings peace, wholeness, and deliverance to our lives. How have you experienced the peace of God in a difficult situation?

## 2 | God gives us peace with Him.

*22Then Gideon perceived that he was the angel of the LORD. And Gideon said, "Alas, O Lord GOD! For now I have seen the angel of the LORD face to face." 23But the LORD said to him, "Peace be to you. Do not fear; you shall not die." 24Then Gideon built an altar there to the LORD and called it, The LORD Is Peace. To this day it still stands at Ophrah, which belongs to the Abiezrites. JUDGES 6:22-24*

In the Israelites' culture of the time, seeing the angel of God was equal to seeing the face of God. Seeing the face of God, because God is holy and man is sinful, meant death. But the angel instantly assured Gideon that he had nothing to fear. God did not come to destroy Gideon, but He had come in peace. We too can have peace with God and need not fear death, through faith in what Jesus Christ did for us (Romans 5:1). Share a time that you had a realization of God's holiness and peace at the same time. How did that change your life and perspective?
