WORD *¹⁶And when Jesus was baptized, immediately he went up from the water, and behold, the heavens were opened to him, and he saw the Spirit of God descending like a dove and coming to rest on him; ¹⁷and behold, a voice from heaven said, "This is my beloved Son, with whom I am well pleased."* **MATTHEW 3:16-17**

(Read also **1 JOHN 4:7-19**.)

The Trinity is one of the most challenging theological concepts for a believer. There are three Persons in full unity and relationship, and yet there is one God. The Father, the Son, and the Holy Spirit are in perfect love together, and out of this came the created world and the redemption of mankind. We are given pictures of the Trinity through the Bible. We see this perfect relationship in the baptism of Jesus, where the Father was well pleased with the Son, the Son was acting in obedience to the Father, and the Spirit was at work all throughout. Even though we cannot fully appreciate or comprehend the Trinity, we can learn that God is love, and as people created in God's image, we are called to reflect this love. Today, we will look at two truths in understanding how God and His people are designed for relationships.

1 | God is love.

So we have come to know and to believe the love that God has for us. God is love, and whoever abides in love abides in God, and God abides in him. 1 JOHN 4:16

¹⁶And when Jesus was baptized, immediately he went up from the water, and behold, the heavens were opened to him, and he saw the Spirit of God descending like a dove and coming to rest on him; ¹⁷and behold, a voice from heaven said, "This is my beloved Son, with whom I am well pleased." MATTHEW 3:16-17

The very nature of God is love. That is the simplest but also the most profound explanation of God. Perfect love originated from and existed between the three Persons of the Trinity. The Bible gives glimpses of how the Trinity exists, from creation until the return of Christ one day. In Matthew 3:16-17, we see how God the Father, God the Son, and God the Holy Spirit are full of love and at work in the redemption of mankind. Why do you think we easily overlook this seemingly simple explanation? How do God the Father, God the Son, and God the Holy Spirit show us Their love today?

2 | God's people are called to reflect His love.

¹⁶So we have come to know and to believe the love that God has for us. God is love, and whoever abides in love abides in God, and God abides in him. ¹⁷By this is love perfected with us, so that we may have confidence for the day of judgment, because as he is so also are we in this world. . . . ¹⁹We love because he first loved us.

1 JOHN 4:16-17, 19

Because God is love, His people are called to reflect this love. Because we are designed for relationships, we make evident the expression of love in the Trinity. Our relationships are to model the perfect love between the Father, the Son, and the Holy Spirit. We are able to love others because of the overwhelming, unconditional, and unending love of God. As we know and trust in God's love for us (1 John 4:16), we reflect God's love to fellow believers in the church and to the rest of the world so that they too may experience the fullness of God's love. What did Jesus command the disciples to do in John 13:34-35, and why do you think this was so important to Him?
