²Like newborn infants, long for the pure spiritual milk, that by it you may grow up into salvation—³if indeed you have tasted that the Lord is good. **1 PETER 2:2,3**

(Read also ACTS 2:42.)

When Peter talked about growing up into salvation, he used pure spiritual milk as a metaphor for the Word of God. Craving for milk is a natural instinct for any baby, as he or she would depend on milk for nourishment. Peter encouraged people to long for spiritual milk. When we are born again, so we should desire God's Word instinctively, as this helps us grow strong and healthy. This week, we will look at how we should seek God's Word to give us what we need to grow strong in our faith.

1 Desire

Like newborn infants, long for the pure spiritual milk, that by it you may grow up into salvation . . . 1 PETER 2:2

The Word of God is like spiritual milk that nourishes a Christian. Desiring the Word means investing our time and energy in it, and not just whenever time permits. We must desire the Word wholeheartedly, seeking God in a way that is not out of mere obligation. There are many things that can try to get our attention, such as worries and troubles. But instead of being consumed by the things of the world, we must be *consumed with longing* for His Word at all times (Psalm 119:20). What was the psalmist's prayer in Psalm 119:37? How have you learned to desire God's Word more?

2 Delight
