

## 1 | Isaac obeyed God's command.

*And the Lord appeared to him and said, "Do not go down to Egypt; dwell in the land of which I shall tell you."* **GENESIS 26:2**

During this time, there was a famine in the land. Instead of seeking God, Isaac sought refuge in Egypt, where provision was sure. While Isaac was in Gerar, God stopped him from going further south to Egypt by giving him a command and assuring him that He would give them land where they could dwell. Isaac obeyed God. Share about a time you obeyed what you felt the Lord was telling you.

## 2 | Isaac settled in the land.

*So Isaac settled in Gerar.* **GENESIS 26:6**

In obedience to God, Isaac remained in Gerar and settled there. Further on in Scripture, it describes Isaac as having stayed there for a long time. He dug wells, his flocks multiplied, and he dwelt among the people there. That Isaac settled in the land means that he began putting down roots and preparing for a long stay in Gerar. He fully embraced the plan that God had for him in that season, and God blessed him. Do you embrace the plan of God for you wholeheartedly?

## 3 | Isaac sowed in the land and reaped a hundredfold.

*<sup>12</sup>And Isaac sowed in that land and reaped in the same year a hundredfold. The Lord blessed him, <sup>13</sup>and the man became rich, and gained more and more until he became very wealthy.*

**GENESIS 26:12,13**

Reaping a hundredfold means that Isaac reaped a hundred times what he had sowed. Isaac could have just waited for God to give His next instruction. But Scripture tells us that when God commanded him to stay, instead of being passive, Isaac worked hard and sowed in that land. God blessed *him more and more until he became very wealthy*. How are you making the most of the season God has placed you in? How can you be expectant for the favor and blessing of God?
